

Liz Neville

Liz is a proud founding member of St. Gianna's Place. Her dream of opening a home for pregnant women in crisis has become a reality after many years. Because she has run St. Gianna's Closet for 14 years-a ministry which provides free clothing to families in need- she has seen the many problems these women face as they often lack the support of loved ones. She hopes through St. Gianna's Place that women who have courageously chosen life for their babies will find the love and compassion as well as material necessities to live meaningful, joyful lives.

Liz has been married to her wonderful husband, Bill for 26 years and has 6 children; the youngest two gifted through adoption. She is a practicing speech-language pathologist in private practice. She enjoys ministering in her parish- St. Thomas Aquinas in Derry- as lector and RCIA instructor and hanging around the dinner table with her family.
